2. Employee discipline cases, including investigatory interviews of an employee who is the subject of a non-criminal investigation;
  3. Informal settlement conferences or formal hearings conducted by the Public Employment Relations Board (PERB);
  4. Matters scheduled for hearing by the Board of Control;

- B. A written list of Union stewards, and elected bargaining unit council representatives broken down by department, unit, and designated area of representation, shall be furnished to each department and a copy sent to the State immediately after their designation. The Union shall notify the State promptly of any changes of such stewards. Union stewards shall not be recognized by the State until such lists or changes thereto are received.
- C. Area of Representation – A Union steward's "area of primary representation" is defined as an institution, office, or building. However, the parties recognize that it may be necessary for the Union to assign a steward an area of representation for several small offices, department, or buildings within close proximity. Disputes regarding this paragraph may be appealed directly to Step 3 of the Grievance Procedure (Section 6.9)

A copy of all materials posted must be distributed to the facility or office supervisor at the time of posting.
- B. The Union may, before or after work hours or during meal and rest periods, distribute Union literature. Distribution of Union information shall not be unreasonably denied or disrupt the work of others. However, if access for distribution of information is restricted for safety, security, or patient care including patient privacy, other reasonable accommodation will be made in accordance with department procedures.

### **3.1 Union Security**

The State agrees to deduct and transmit to the Union all membership dues authorized on a form provided by the Union. Effective with the beginning of the first pay period following ratification of this Contract by the Legislature and the Union, the State agrees to calculate, deduct, and transmit to the Union, Fair Share fees from State employees who do not have membership dues deductions for the Union, based upon an amount or formula furnished by the Union for Fair Share fees deductions. The State further agrees to recalculate, deduct, and transmit Fair Share fees to the Union based upon any revised amounts or formulas furnished by the Union for Fair Share fees deductions during the term of this Contract. The State and the Union agree that a system of authorized dues deductions and a system of Fair Share fee deductions shall be operated in accordance with Government Code Sections 3513(h), 3513(j), 3515, 3515.6, 3515.7, and 3515.8, subject to the following provisions:

1. When Fair Share fees are in effect, an employee may withdraw from membership in the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller at any time. An employee who so withdraws his/her membership shall be subject to paying a Fair Share fee, if such a fee is applicable.
2. The Union agrees to indemnify, defend, and hold the State and its agents harmless against any claims made of any nature and against any suit instituted against the State arising from this section and the deductions arising therefrom.

2. Notwithstanding any other provision of this Contract, any employee may have his/her home address withheld from the Union at any time by submitting a written request to his/her appointing power on a form provided by the State.

B. Home Address Withholding

The State will no longer use an Employee Action Request form that provides employees with the option of having their home address withheld from the Union. Instead, bargaining unit employees will, upon request on their own initiative, be given a separate form by their appointing power that permits two choices: (1) withhold their address from the Union, or (2) to cancel a previous withhold request thereby permitting release of their home address to the Union.

C. Home Address Withhold Notification to Employees

Within one month following ratification of this Contract by both parties, the State will send a letter drafted by the Union to all existing employees that have previously requested their home address be withheld. The letter will provide said employees with the option of canceling their previous withhold request thereby permitting release of their home address to the Union.

D. Release and Use of Addresses

The State Controller's Office shall send the Union a list of all Bargaining Unit 1, 3, 4, 11, and 15 employees who, pursuant to subsection C. above, either did not respond or responded by indicating they wanted to continue withholding their home address from the Union. Said list(s) will contain the employee's name, agency, and reporting unit.

E. Home Address Mailings by the State

The State will mail Union information once per year to the home address of bargaining unit employees who have requested their home address be withheld from the Union. Said material shall be provided by the Union. The cost of this mailing shall be paid for by the Union. The Union agrees to hold the State harmless for any annual mail that does not reach Bargaining Unit 1, 3, 4, 11, or 15 employees.

F. Address Confidentiality

Employee work and home addresses shall be maintained as confidential by the Union. The Union shall take all reasonable steps to ensure the security of work and home addresses, and shall not disclose or otherwise make them available to any person, entity, or organization.

G. Costs Reimbursable

The Union agrees to pay necessary and reasonable costs incurred by the State Controller's Office to produce the necessary name/home/work address tape file on a monthly basis.

H. Hold Harmless and Indemnification

Notwithstanding any other provision of this Contract, the Union agrees to jointly defend this section and to hold the State of California, its subdivisions, and agents harmless in defending challenges of any nature arising as a result of this section of the Contract.

#### **I. Nature of Material**

The Union agrees that any literature mailed to employees by the State will not be libelous, obscene, defamatory, or of a partisan political nature or constitute a solicitation of any product or service unrelated to representation by the Union, including that provided by and mailed on behalf of the Union. Advertisements or articles in Union provided material involving partisan politics shall not be considered of a partisan political nature or constitute a solicitation of any product or service for the purposes of this Contract.

### **ARTICLE 4 – STATE’S RIGHTS**

- A. Except for those rights which are abridged or limited by this Contract, all rights are reserved to the State.
- B. Consistent with this Contract, the rights of the State shall include, but not be limited to, the right to determine the mission of its constituent departments, commissions, and boards; to maintain efficiency of State operation; to set standards of service; to determine, consistent with Article VII of the Constitution, the Civil Service Act, and rules pertaining thereto, the procedures and standards of selection for employment and promotion, layoff, assignment, scheduling and training; to determine the methods, means, and personnel by which State operations are to be conducted; to take all necessary action to carry out its mission in emergencies; to exercise control and discretion over the merits, necessity, or organization of any service or activity provided by law or executive order. The State has the right to make reasonable rules and regulations pertaining to employees consistent with this Contract, provided that any such rule shall be uniformly applied to all affected employees who are similarly situated.
- C. This Article is not intended to, nor may it be construed to, contravene the spirit or intent of the merit principle in State employment, nor limit the rights of State Civil Service employees provided by Article VII of the State Constitution or bylaws and rules enacted thereto. Any matters which concern the application of the merit principle to State employees are exclusively within the purview of those processes provided by Article VII of the State Constitution or bylaws and rules enacted thereto.

### **ARTICLE 5 – GENERAL PROVISIONS**

#### **5.1 No Strike**

- A. During the term of this Contract, neither the Union nor its agents nor any employee, for any reason, will authorize, institute, aid, condone, or engage in a work slowdown, work stoppage, strike, or any other interference with the work and statutory functions or obligations of the State.
- B. The Union agrees to notify all of its officers, stewards, chief stewards, and staff of their obligation and responsibility for maintaining compliance with this section, including the responsibility to remain at work during any activity which may be caused or initiated by others, and to encourage employees violating this section to return to work.

The department head or designee shall make a reasonable effort to grant an employee the day off subject to operational need.

## ARTICLE 8 – LEAVES

### 8.1 Vacation Leave

- A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this section shall receive a one-time vacation bonus of forty-two (42) hours of vacation credit. Thereafter, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following month as follows:

7 months to 3 years	7 hours per month
37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
20 years and over	14 hours per month

An employee who returns to State service after an absence of six (6) months or longer, caused by a permanent separation, shall receive a one-time vacation credit on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.

- B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn vacation credits as set forth under Item A. above. Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.

- C. Employees working less than full-time accrue vacation in accordance with the chart shown in Section 7 L. of this Contract.
- D. Vacation credits may be taken in fifteen (15) minute increments.
- E. Employees are authorized to use existing fractional vacation hours that may have been accumulated.
- F. Upon termination from State employment, the employee shall be paid for accrued vacation credits for all accrued vacation time.
- G. Subject to operational needs, the time when vacation shall be taken by the employee shall not be unreasonably denied. Employee vacation requests shall be submitted and granted or denied in writing in a timely manner. Vacations can only be cancelled when unanticipated operational needs require it.
- H. Vacation requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same vacation time and approval cannot be given to all employees requesting it, employees shall be granted their preferred vacation period in order of seniority (defined as total months of State service in the same manner as vacation is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. Vacation schedules, which have been established in a work unit, pursuant to the seniority provisions in this Article, shall not be affected by employee(s) entering the unit after the schedule has been established.
- I. By June 1 of each calendar year those employees whose vacation balance exceeds, or could exceed by December 31, the vacation cap of Section 8.1 J. must submit to their supervisor for approval a plan to use vacation to bring their balance below the cap. If the employee fails to submit a plan, or adhere to an approved plan, the department head or designee has the right to order an employee to take sufficient vacation to reduce the employee's vacation balance or potential balance on December 31 below the cap specified in Section 8.1 J.
- J. If an employee does not use all of the vacation that the employee has accrued in a calendar year, the employee may carry over his/her accrued vacation credits to the following calendar year to a maximum of 400 hours (with Annual Leave 640 hours). A department head or designee shall permit an employee to carry over more than 400 hours (with Annual Leave 640 hours) of accrued vacation leave hours if an employee was unable to reduce his/her accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking vacation until December 31 because of sick leave; or (5) was on jury duty.

## 8.2 Sick Leave

- A. As used in this section, "sick leave" means the necessary absence from duty of an employee because of:
  - 1. Illness or injury, including illness or injury relating to pregnancy;
  - 2. Exposure to a contagious disease which is determined by a physician to require absence from work;
  - 3. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner;
  - 4. Absence from duty for attendance upon the employee's ill or injured mother, father, husband, wife, domestic partner (as defined in accordance with Family Code Section 297), son, daughter, brother, sister, or any person residing in the immediate household. Such absence shall be limited to six (6) workdays per occurrence or, in extraordinary situations, to the time necessary for care until physician or other care can be arranged.
- B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall be eligible for up to eight (8) hours of sick leave credit. On the first day of the monthly pay period following completion of each qualifying pay period of service, each full-time employee shall earn eight (8) hours of credit for sick leave with pay.
- C. Credit for less than full-time employees shall be computed as follows:
  - 1. Part-time employees. On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro rata basis, the fractional part of his/her appropriate accrual rate of credit for sick leave with pay in accordance with the schedule in Article 7.
  - 2. Multiple positions under this rule:
    - a. An employee holding a position in State service in addition to the primary full-time position with the State shall not receive credit for sick leave with pay for service in the additional position;
    - b. Where an employee holds two (2) or more "less than full-time positions," the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed the amount earned for (8 hours per pay period) full-time employment credit.

- D. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit substantiating evidence including, but not limited to, a physician's or licensed practitioner's verification. The State recognizes the confidential nature of the relationship between the health care provider and patient. However, such substantiation shall include, but not be limited to, the general nature of the employee's illness or injury and prognosis (i.e., the anticipated length of the absence, any restrictions upon return to work that prevent the employee from performing the full range of his/her normal work assignment and anticipated future absences). If the department head or designee does not consider the evidence adequate, the request for sick leave shall be disapproved. Upon request, a denial of sick leave shall be in writing stating the reason for denial.
- E. An employee may be required to provide a physician's or licensed practitioner's verification of sick leave when:
  - 1. The employee has a demonstrable pattern of sick leave abuse; or
  - 2. The supervisor has good reason to believe the absence was for an unauthorized reason. A supervisor has good reason if a prudent person would also believe the absence was for an unauthorized reason.
- F. Sick leave may be accumulated without limit.
- G. Sick leave may be requested and taken in fifteen (15) minute increments.
- H. A full-time employee whose continuity of employment is broken by a permanent separation of six (6) months or longer and is subsequently reemployed cannot be credited with any unused sick leave accumulated prior to the employee's separation and the full-time employee must complete one month of continuous service before being granted one day of sick leave credit. In addition, when a full-time employee has a break in the continuity of employment because of a permanent separation of less than six (6) months or because of a temporary separation, the full-time employee's prior unused sick leave balance is restored.
- I. When an employee's sick leave balance is zero, other leave credits such as vacation, CTO, PLP, personal holiday, or holiday leave may be substituted with the supervisor's approval, and shall not be unreasonably denied.

### **8.3 Bereavement Leave**

- A. A department head or designee shall authorize bereavement leave with pay for a permanent or probationary full-time State employee due to the death of his/her parent, stepparent, spouse, domestic partner (as defined in accordance with Family Code Section 297), child, brother, sister, stepchild, or death of any person residing in the immediate household of the employee at the time of death. An intervening period of absence for medical reasons shall not be disqualifying when, immediately prior to the absence, the person resided in the household of the employee. Such bereavement leave shall be authorized for up to three eight-hour days (24 hours) per occurrence. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request upon the employee's return to work.

- B. A department head or designee shall authorize bereavement leave with pay for a permanent full-time or probationary full-time employee due to the death of his/her grandchild, grandparent, aunt, uncle, niece, nephew, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, or immediate family members of domestic partners as defined in paragraph A. above. Such bereavement leave shall be authorized for up to three (3) eight-hour days (24 hours) in a fiscal year. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request.
- C. If the death of a person as described above requires the employee to travel over 400 miles one way from his/her home, additional time off with pay shall be granted for two (2) additional days which shall be deducted from accrued leave. Should additional leave be necessary, the department head or designee may authorize the use of other existing leave credits or authorized leave without pay. Any such request shall not be arbitrarily or unreasonably denied.
- D. Employees may utilize their annual leave, vacation, CTO, or any other earned leave credits for additional time required in excess of time allowed in A. or B. above. Sick leave may be utilized for Bereavement Leave in accordance with sick leave provision of this Contract in Section 8.2. Any such request shall not be arbitrarily or unreasonably denied.
- E. Fractional time base (part-time) employees will be eligible for bereavement leave on a pro rata basis, based on the employees' fractional time base. (See schedule in Article 7.)

#### **8.4 Parental Leave**

- A. A female permanent employee shall be entitled, upon request, to an unpaid leave of absence for purposes of pregnancy, childbirth, recovery therefrom or care for the newborn child for a period not to exceed one (1) year. The employee shall provide medical substantiation to support her request for pregnancy leave. The request must include the beginning and ending dates of the leave and must be requested no later than thirty (30) calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to the approval of the department head or designee.
- B. A male spouse or male parent or domestic partner (as defined in accordance with Family Code Section 297), who is a permanent employee, shall be entitled, upon request, to an unpaid leave of absence for a period not to exceed one (1) year to care for his/her newborn child. The request must include the beginning and ending dates of the leave and must be requested no later than thirty (30) calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to the approval of the department head or designee.

An unpaid leave of absence may be granted by the State pursuant to the unpaid leave of absence provisions in this Contract. A Union leave may also be granted during the term of this Contract at the discretion of the affected department head or designee in accordance with the following:
  - 1. The Union leave shall normally be requested on a State approved form fourteen (14) calendar days prior to the date of the leave.
  - 2. The Union leave request form shall be signed by either the Civil Service Division Director or the Deputy Director and no other signature will be honored by the State.
  - 3. A Union leave shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.
  - 4. The Union agrees to reimburse the affected department(s) for the full amount of the affected employee's salary, plus an additional amount equal to 35 percent (35%) of the affected employee's salary, for all the time the employee is off on a Union leave, within 60 days of billing. Disputes regarding reimbursement shall be resolved through the arbitration process.

7. Employees on a Union leave shall suffer no loss of compensation or benefits.
8. Whether or not time for a Union leave is counted for merit purposes shall be determined by the State Personnel Board and such determination shall not be grievable or arbitrable.
9. Employees on Union leave under this provision and the Union shall waive any and all claims against the State for Workers' Compensation and Industrial Disability Leave.
10. In the event an employee on a Union leave, as discussed above, files a Workers' Compensation claim against the State of California or any agency thereof, for an injury or injuries sustained while on a Union leave, the Union agrees to indemnify and hold harmless the State of California or agencies thereof, from both workers' compensation liability and any costs of legal defense incurred as a result of the filing of the claim.

The State shall attempt to accommodate a shift change request from an employee involved in (1) or (2) above on the day of a State Personnel Board hearing.

All employees shall, upon transfer in State service, transfer with all accumulated vacation, annual leave, personal leave, personal days, and sick leave credits.

Such pay shall be in the amount of the difference between the employee's regular pay and any amount he/she receives for such appearance. In no case shall this amount exceed the employee's regular pay.
- B. In the event an employee is a party to a legal action, the employee shall, upon reasonable notice and the approval of the immediate supervisor, be granted the use of his/her accrued CTO, personal, annual, vacation or unpaid leave.

#### **8.14 Jury Duty**

- A. An employee shall be allowed such time off without loss of compensation as is required in connection with mandatory jury duty. Upon receiving notice of jury duty an employee shall immediately provide a copy of the notice to his/her supervisor.
- B. If payment is made for such time off, the employee is required to remit to the State jury fees received. If an employee elects to use accrued vacation leave or compensating time off while on jury duty, the employee is not required to remit jury fees. For the purposes of this section, "jury fees" means fees received for jury duty excluding payment for mileage, parking, meals, or other out-of-pocket expenses.
- C. For an employee summoned to jury duty during hours other than the employee's regular and customary shift, management will endeavor to temporarily reassign the employee to a work shift that more closely coincides with the hours the employee is required to serve on jury duty, including any necessary travel time, subject to the following:
  - 1. The department already maintains an appropriate work shift that utilizes the employee's classification; and
  - 2. The operational needs of the department permit such reassignment.

It is understood by both parties that the application of this cash-out provision may differ from department to department and from employee to employee. Departments shall consider an employee's request to retain leave credits for future use rather than have the leave cashed out. Upon termination from State employment, the employee shall be paid for unused Personal Leave credits in the same manner as vacation or annual leave. Cash-out or lump-sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement. If funds become available for the Personal Leave Program, departments will offer employees the opportunity to cash out accrued Personal Leave.
- C. If any dispute arises about this Personal Leave section, an employee may file a grievance and the decision reached at Step 3 (Department of Personnel Administration) of the grievance procedure shall be final and not subject to the arbitration clause of this Contract.
- D. Personal Leave credits shall not be counted towards the 1,734/1,934 hours of compensation for Special School employees subject to the State Special Schools 10-Month Compensation Agreement.

#### **8.16 Family Medical Leave Act (FMLA)**

- A. The State acknowledges its commitment to comply with the spirit and intent of the leave entitlement provided by the FMLA and the California Family Rights Act (CFRA) referred to collectively as "FMLA." The State and the Union recognize that on occasion it will be necessary for employees of the State to take job-protected leave for reasons consistent with the FMLA. As defined by the FMLA, reasons for an FMLA leave may include an employee's serious health condition, for the care of a child, spouse, domestic partner (as defined in Family Code Section 297), or parent who has a serious health condition, and/or for the birth or adoption of a child.
- B. For the purposes of providing the FMLA benefits the following definitions shall apply:
  - 1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA;
  - 2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care" as provided in this section applies to the individual with the covered health condition;
  - 3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;
  - 4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours, and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits, unless otherwise specified by Section 8.8 of this Contract.

- a. FMLA absences due to illness and/or injury of the employee or eligible family member, may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for a FMLA leave will be administered in accordance with Section 8.8 and 8.2 of this Contract.
  - b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee's discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by Section 8.8 of this Contract.
  - c. FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee's discretion. Except in accordance with Section 8.8 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.
- C. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.
- D. An eligible employee shall be entitled to a maximum of twelve (12) workweeks (480 hours) FMLA leave per calendar year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in Article 8 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.
- E. Within 90 days of the ratification date of this Contract, and on January 1 of each year thereafter, FMLA leave shall be recorded in accordance with the calendar year. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the current calendar year. Employees who have taken FMLA leave under the previous 12 month rolling period, shall be entitled to additional leave up to a total of 12 weeks for the current calendar year.
- F. An employee on FMLA leave has a right to be restored to his/her same or "equivalent" position (FMLA) or to a "comparable" position (CFRA) with equivalent pay, benefits, and other terms and conditions of employment.
- G. For the purposes of computing seniority, employees on paid FMLA leave will accrue seniority credit in accordance with the Department of Personnel Administration Rules 599.608 and 599.609.

- H. Any appeals regarding an FMLA decision should be directed to the department head or designee. FMLA is a Federal law and administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law which is administered and enforced by the Department of Fair Employment and Housing. FMLA/CFRA does not supersede any Article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.

### **8.17 Mentoring Leave**

- A. Eligible employees may receive up to forty (40) hours of "mentoring leave" per calendar year to participate in mentoring activities once they have used an equal amount of their personal time for these activities. "Mentoring leave" is paid leave time which may only be used by an employee to mentor. This leave does not count as time worked for purposes of overtime. "Mentoring leave" may not be used for travel to and from the mentoring location.
- B. An employee must use an equal number of hours of his or her personal time (approved annual leave, vacation, personal leave, personal holiday, or CTO during the workday and/or personal time during non-working hours) prior to requesting "mentoring leave." For example, if an employee requests two (2) hours of "mentoring leave," he or she must have used two (2) verified hours of his or her personal time prior to receiving approval for the "mentoring leave." "Mentoring leave" does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.
- C. Prior to requesting mentoring leave and in accordance with departmental policy, an employee shall provide his or her supervisor with verification of personal time spent mentoring from the mentoring organization.
- D. Requests for approval of vacation, CTO, and/or annual leave for mentoring activities are subject to approval requirements in this contract and in existing departmental policies. Requests for approval of mentoring leave are subject to operational needs of the State, budgetary limits, and any limitations imposed by law.

  2. Have successfully completed their initial probationary period; and
  3. Have committed to mentor a child or youth through a mentoring organization that meets the quality assurance standards in accordance with the California Mentor Program Directory, under the guidance of the California Department of Alcohol and Drug Programs, for a minimum of one school year. (Most programs are aligned with the child's normal school year, however, there may be some that are less or more. Department management may make exceptions to the one school year commitment based on the mentor program that is selected.)

- F. An employee is not eligible to receive “mentoring leave” if:
  - 1. He or she is assigned to a “post” position in the Departments of Corrections or Youth Authority; or
  - 2. He or she works in a level of care position in the Departments of Developmental Services, Mental Health, Education or Veterans’ Affairs.
- G. Permanent part-time and Permanent Intermittent employees may receive a pro-rated amount of Mentoring leave based upon their time base. For example, a half time employee is eligible for twenty (20) hours of Mentoring leave per calendar year, whereas an intermittent employee must work a qualifying monthly pay period (equivalent to 160 hours) to earn 3.3 hours of Mentoring leave.
- H. Any appeals and/or disputes regarding this section shall be handled in accordance with the Complaint procedure specified in Article 6 of this Contract.

## **8.18 Work and Family Participation**

However, use of such leave shall not diminish an employee’s entitlement under the Family School Partnership Act (Labor Code 230.8) to, upon reasonable notice to the employer, use up to eight (8) hours per month but not to exceed forty (40) hours per calendar year of accrued leave credits (vacation, annual leave, personal holiday, holiday credits, CTO) for the purpose of attending school or pre-school related activities in which the employee’s child is participating.

Family is defined as the parent, stepparent, spouse, domestic partner (as defined in accordance with Family Code Section 297), child, grandchild, grandparent, brother, sister, stepchild, or any person residing in the immediate household.

If eligible, any family crisis leave that meets the definition of serious health condition will run concurrently with Subsection 8.16 of this contract, Family and Medical Leave Act.

The State shall consider requests from employees to adjust work hours or schedules or consider other flexible arrangements consistent with a department's operational needs and the provisions of this Contract.

Employee requests related to family crisis or domestic violence shall be in accordance with departmental procedures and, except in emergencies, shall be made with reasonable notice to the employee's immediate supervisor.

    - (1) For Bargaining Unit 1, 3, 4, 11 and 15 members payments shall be on a monthly basis.

- B. Each department head or designee shall designate an Employee Assistance Program Coordinator who shall arrange for programs to implement this section. Employees who are referred to an Employee Assistance Program Coordinator will be referred by the appropriate management personnel. Leave of absences without pay may be granted by the department head or designee upon the recommendation of the Employee Assistance Program Coordinator if all sick leave, holiday credits, vacation, and compensating time off have been exhausted, and the employee is not eligible to use Industrial Disability Leave or Non-Industrial Disability Insurance. A list of all Employee Assistance Program Coordinators and a telephone number to contact the appropriate coordinator shall be furnished to the Union within a timely manner after the execution of this Contract. Changes to such lists and phone numbers shall be promptly furnished to the Union when such changes occur.
- C. The records concerning an employee's referral and/or treatment shall be kept confidential. No manager, supervisor, department director, or coordinator shall disclose the nature of the employee's treatment or the reason for employee's leave of absence. Records of such referrals shall not be kept in the employee's personnel file.
- D. Upon request by the Union, a department which has an internal Employee Assistance Program for its employees will meet to discuss concerns presented by the Union regarding the administration of the program.

## **9.6 Pre-Tax of Health and Dental Premiums Costs**

Employees who are enrolled in any health and/or dental plan which requires a portion of the premium to be paid by the employee, will automatically have their out-of-pocket premium costs taken out of their paycheck before Federal, State, and social security taxes are deducted. Employees who choose not to have their out-of-pocket costs pretaxed, must make an election not to participate in this benefit.

## **9.7 Pre-retirement Death Continuation of Benefits**

- A. Notwithstanding Government Code Section 22777, the State employer shall, upon the death of an employee while in State service, continue to pay employer contributions for health, dental, and vision benefits for a period not to exceed 120 days beginning in the month of the employee's death. If circumstances permit, the employee's personal choice of physician will be utilized. Employees may submit, in writing, their choice of personal physician to be utilized in the event of an injury on the job.
- B. An employee who is directed by his/her supervisor to accompany or transport an injured employee to a physician or medical facility shall suffer no loss of compensation for the time spent.
- C. If the treating physician advises the injured employee to go home or the employee is admitted and remains in a hospital or clinic for treatment, the employee shall be paid for his/her full shift.
- D. The State shall not use the Department of Industrial Relations Rating Bureau's Advisory Rating form as the vehicle to justify removing a worker from his/her normal work assignments.

### **9.11 Employee Injury or Disability**

Employees shall be eligible for Industrial and Non-Industrial Disability Leave as provided in Government Code Sections 19869 through 19885, except as provided in Section 9.12 (Non-Industrial Disability Insurance), Section 9.13 (Enhanced Industrial Disability Leave), and Section 9.17 (Industrial Disability Leave).

### **9.12 Non-Industrial Disability Insurance**

- A. Non-Industrial Disability Insurance (NDI) is a program for State employees who become disabled due to non-work related disabilities as defined by Section 2626 of the Unemployment Insurance Code.
- B. For periods of disability commencing on or after October 1, 1984, eligible employees shall receive NDI payments at 60 percent (60%) of their full pay, not to exceed \$135 per week, payable monthly for a period not exceeding twenty-six (26) weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and work for at least ten (10) consecutive workdays. Paid leave shall not be used to cover the ten (10) workdays.
- C. The employee shall serve a ten (10) consecutive calendar day waiting period before NDI payments commence for each disability. Accrued vacation or sick leave balances may be used to cover this waiting period. The waiting period may be waived when the employee is a registered bed patient in a hospital or nursing home, or receives treatment in a hospital or surgical unit or licensed surgical clinic. Procedure rooms and doctor's offices are not included.
- D. If the employee elects to use vacation, annual leave, personal leave, or sick leave credits prior to receiving NDI payments, he/she is not required to exhaust the accrued leave balance.

- E. Following the start of NDI payments, an employee may, at any time, switch from NDI to sick leave, vacation leave, annual leave, personal leave, or catastrophic leave but may not return to NDI until that leave is exhausted.
- F. In accordance with the State's "return to work" policy, an employee who is eligible to receive NDI benefits and who is medically certified as unable to return to full-time work during the period of his or her disability, may upon the discretion of his or her appointing power work those hours (in hour increments) which, when combined with the NDI benefit, will not exceed 100 percent (100%) of their regular "full pay." This does not qualify the employee for a new disability period under B. of this section. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his/her position.
- G. If an employee refuses to return to work in a position offered by the employer under the State's Injured State Worker Assistance Program, NDI benefits will be terminated effective the date of the offer.
- H. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the eighteen (18) monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for NDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.
- I. All other applicable Department of Personnel Administration laws and regulations not superseded by these provisions will remain in effect.
- J. Upon approval of NDI benefits, the State may issue an employee a salary advance if the employee so requests.
- K. All appeals of a denial of an employee's NDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights, which are not related to the denial of an individual's benefits.

### **9.13 Enhanced Industrial Disability Leave (EIDL)**

- A. An employee working in the Department of Corrections or in the Department of the Youth Authority who loses the ability to work for more than twenty-two (22) workdays as the result of an injury incurred in the official performance of his/her duties may be eligible for financial augmentation to the existing Industrial Disability Leave benefits. Such injury must have been directly and specifically caused by an assault by a resident, patient, student, client, or member.
- C. The EIDL benefits will be equivalent to the injured employee's net take home salary on the date of occurrence of the injury. EIDL eligibility and benefits may continue for no longer than one year after the date of occurrence of injury. For the purposes of this section, "net salary" is defined as the amount of salary received after Federal income tax, State income tax, and the employee's retirement contribution have been deducted from the employee's gross salary. The EIDL benefit will continue to be subject to miscellaneous payroll deductions.
- D. EIDL will apply only to serious physical injuries and any complications directly related medically and attributable to the assault, as determined by the department director or designee. This benefit shall not be applied to either presumptive, stress-related disabilities, or physical disability having mental origin.
- E. The final decision as to whether an employee is eligible for, or continues to be eligible for EIDL, shall rest with the department director or designee. The department may periodically review the employee's condition by any means necessary to determine an employee's continued eligibility for EIDL.
- F. Other existing rules regarding the administration of IDL will be followed in the administration of EIDL.
- G. This section relating to EIDL will not be subject to the arbitration procedure of this Contract.
- H. In circumstances that deviate from paragraphs A, B, and D the Director may consider and grant EIDL on a case-by-case basis when he/she determines the injury was in fact job-related.

- B. Consistent with the State's Reasonable Accommodation Policy, the State shall attempt to provide alternative duties within the individual's medical restrictions and classification, dependent on availability of work and funding.
- C. Any disputes arising out of this section may only be appealed through the State Personnel Board's Reasonable Accommodation Appeals Process. This section is not subject to the grievance and arbitration procedure of this Contract.

### **9.17 Industrial Disability Leave**

- A. For periods of disability commencing on or after January 1, 1993, subject to Government Code Section 19875, eligible employees shall receive IDL payments equivalent to full net pay for the first twenty-two (22) workdays after the date of the reported injury.
- B. In the event that the disability exceeds twenty-two (22) workdays, the employee will receive 66 and 2/3 percent of gross pay from the twenty-third (23<sup>rd</sup>) workday of disability until the end of the fifty-second (52<sup>nd</sup>) week of disability. No IDL or payments shall be allowed after two (2) years from the first day (i.e., date) of disability.
- C. The employee may elect to supplement payment from the twenty-third (23<sup>rd</sup>) workday with accrued leave credits including annual leave, vacation, sick leave, or compensating time off (CTO) in the amount necessary to approximate the employee's full net pay. Partial supplementation will be allowed, but fractions of less than one (1) hour will not be permitted. Once the level of supplementation is selected, it may be decreased to accommodate a declining leave balance but it may not be increased. Reductions to supplementation amounts will be made on a prospective basis only.

- D. Temporary Disability (TD) with supplementation, as provided for in Government Code Section 19863, will no longer be available to any State employee who is a member of either the PERS or STRS retirement system during the first fifty-two (52) weeks, after the first date of disability, within a two (2)-year period. Any employee who is already receiving disability payments on the effective date of this provision will be notified and given thirty (30) days to make a voluntary, but irrevocable, change to the new benefit for the remainder of his/her eligibility for IDL.
- E. If the employee remains disabled after the IDL benefit is exhausted, then the employee will be eligible to receive Temporary Disability benefits as provided for in Government Code Section 19863.
- F. In the event that an employee is determined to be "permanent and stationary" by his/her physician before the IDL benefit is exhausted, but is unable to return to work, he/she must agree to participate in a vocational rehabilitation program. Refusing to participate will result in immediate suspension of the IDL benefit.
- G. All appeals of an employee's denial of IDL benefits shall only follow the procedures in the Government Code and Title 2. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.

## **9.18 Group Legal Service Plan**

Payment shall only be made if all of the qualifying criteria contained in this Section are satisfied. In accordance with existing law, a copy of the investigation report will be provided to the Union upon request.

Snacks and continental breakfasts such as rolls, juice, and coffee are not considered to be meals. Each item of expenses of \$25 or more requires a receipt; receipts may be required for items of expense that are less than \$25. When receipts are not required to be submitted with the claim, it is the employee's responsibility to maintain receipts and records of their actual expenses for tax purposes. Each State agency shall determine the necessity for travel and the mode of travel to be reimbursed.

- A. Meals/Incidentals: Meal expenses for breakfast, lunch, and dinner will be reimbursed in the amount of actual expenses up to the maximums. The term "incidentals" includes, but is not limited to, expenses for laundry, cleaning and pressing of clothing, and fees and tips for services, such as for porters and baggage carriers. It does not include taxicab fares, lodging taxes or the cost of telegrams or telephone calls.

- B. Lodging: All lodging reimbursement requires a receipt from a commercial lodging establishment such as a hotel, motel, bed and breakfast inn, or public campground that caters to the general public. No lodging will be reimbursed without a valid receipt.

1. Regular State Business Travel

- a. Statewide, in all locations not listed in c. below, for receipted lodging while on travel status to conduct State business:

With a lodging receipt: Actual lodging up to \$84 plus applicable taxes.

- b. Effective January 31, 2002, when employees are required to do business and obtain lodging in the counties of Alameda, San Francisco, San Mateo and Santa Clara, reimbursement will be for actual receipted lodging to a maximum of \$140 plus applicable taxes. When employees are required to do business and obtain lodging in the counties of Los Angeles and San Diego, actual lodging up to \$110 plus applicable taxes.

2. State Sponsored Conferences or Conventions

For receipted lodging while attending State Sponsored conferences and conventions, when the lodging is contracted by the State sponsor for the event, and the appointing authority has granted prior approval for attendance and lodging at the contracted rate and establishment: Actual lodging up to \$110 plus applicable taxes.

3. Non-State Sponsored Conferences or Conventions

For receipted lodging while attending Non-State sponsored conferences and conventions, when the lodging is contracted by the sponsor for the event, and the appointing authority has granted prior approval for attendance and lodging at the contracted rate and establishment: Actual lodging when approved in advance by the appointing authority.

Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires advance written approval from the Department of Personnel Administration. The Department of Personnel Administration may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the State. An employee may not claim lodging, meal, or incidental expenses within 50 miles of his/her home or headquarters.

- C. Long-term Travel: Actual expenses for long term meals and receipted lodging will be reimbursed when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.

1. Full Long-term Travel - In order to qualify for full long-term travel reimbursement, the employee on long-term field assignment must meet the following criteria:

- The employee continues to maintain a permanent residence at the primary headquarters, and

- The permanent residence is occupied by the employee's dependents, or
- The permanent residence is maintained at a net expense to the employee exceeding \$200 per month.

The employee on full long-term travel who is living at the long-term location may claim either:

- Reimbursement for actual individual expense, substantiated by receipts, for lodging, water, sewer, gas and electricity, up to a maximum of \$1,130 per calendar month while on the long-term assignment, and actual expenses up to \$10 for meals and incidentals, for each period of twelve (12) to twenty-four (24) hours and up to \$5 for actual meals and incidentals for each period of less than twelve (12) hours at the long-term location, or
  - Long-term subsistence rates of \$24 for actual meals and incidentals and \$24 for receipted lodging for travel of twelve (12) hours up to twenty-four (24) hours; either \$24 for actual meals or \$24 for receipted lodging for travel less than twelve (12) hours when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.
2. An employee on long-term field assignment who does not maintain a separate residence in the headquarters area may claim long-term subsistence rates of up to \$12 for actual meals and incidentals and \$12 for receipted lodging for travel of twelve (12) hours up to twenty-four (24) hours at the long-term location; either \$12 for actual meals or \$12 for receipted lodging for travel less than twelve (12) hours at the long-term location.
  3. Employees, with supervisor's approval, after completing the work shift remain at the job or LTA location past the Friday twelve (12)-hour clock will receive full per diem for Friday. Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change Department of Personnel Administration policy regarding the per diem clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

The following clarifies Department of Personnel Administration policy regarding an employee leaving the LTA location on personal business:

The reference to leaving the LTA location for personal business and not claiming per diem or transportation expenses assumes that the employee stays overnight at a location other than the long-term accommodations.

- D. Out-of-State Travel: For short-term out-of-State travel, State employees will be reimbursed actual lodging, supported by a receipt, and will be reimbursed for actual meal and incidental expenses in accordance with above. Failure to furnish lodging receipts will limit reimbursement to the meal/incidental rate above. Long-term out-of-State travel will be reimbursed in accordance with the provisions of long-term travel above.

- E. Out of Country Travel: For short-term out of country travel, State employees will be reimbursed actual lodging, substantiated by a receipt, and will be reimbursed actual meals and incidentals up to the maximums published in column (B) of the Maximum Travel per Diem Allowances for Foreign Areas, Section 925, U.S. Department of State Standardized Regulations and the meal/incidental breakdown in Federal Travel Regulation Chapter 301, Travel Allowances, Appendix B. Long-term out of country travel will be reimbursed in accordance with the provisions of long-term travel above, or as determined by the Department of Personnel Administration.

Subsistence shall be paid in accordance with procedures prescribed by the Department of Personnel Administration. It is the responsibility of the individual employee to maintain receipts for their actual meal expenses.

- F. Transportation: Transportation expenses include, but are not limited to, airplane, train, bus, taxi fares, rental cars, parking, mileage reimbursement, and tolls that are reasonably and necessarily incurred as a result of conducting State business. Each State agency shall determine the necessity for travel, and the mode of travel to be reimbursed.

Specialized Vehicles – Employees who must operate a motor vehicle on official State business and who, because of a physical disability, may operate only specially equipped or modified vehicles may claim from \$.34 cents up to \$.37 cents per mile, with certification. Supervisors who approve claims pursuant to this subsection have the responsibility of determining the need for the use of such vehicles.
3. Private Aircraft Mileage – When an employee is authorized by his/her department, reimbursement for the use of the employee's privately owned aircraft on State business shall be made at the rate of \$.50 cents per statute mile. Pilot qualifications and insurance requirements will be maintained in accordance with the Department of Personnel Administration Rule 599.628.1 and the State Office of Risk and Insurance Management.
4. Mileage to/From a Common Carrier – When the employee's use of a privately owned vehicle is authorized for travel to or from a common carrier terminal, and the employee's vehicle is not parked at the terminal during the period of absence, the employee may claim double the number of miles between the terminal and the employee's headquarters or residence, whichever is less, while the employee occupies the vehicle. Exception to "whichever is less:" If the employee begins travel one (1) hour or more before he normally leaves his home, or on a regularly scheduled day off, mileage may be computed from his/her residence.

- G. Receipts: Receipts or vouchers shall be submitted for every item of expense of \$25 or more. In addition, receipts are required for every item of transportation and business expense incurred as a result of conducting State business except for actual expenses as follows:
1. Railroad and bus fares of less than \$25 when travel is wholly within the State of California.
  2. Street car, ferry fares, bridge and road tolls, local rapid transit system, taxi, shuttle or hotel bus fares, and parking fees of \$10 or less for each continuous period of parking or each separate transportation expense noted in this item.
  3. Telephone, telegraph, tax, or other business charges related to State business of \$5 or less.
  4. In the absence of a receipt, reimbursement will be limited to the non-receipted amount above.
  5. Reimbursement will be claimed only for the actual and necessary expenses noted above. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expense shall not be allowed.

## **12.2 Moving and Relocation Expenses**

Whenever an employee is reasonably required by the State to change his/her place of residence, the State shall reimburse the employee for approved items in accordance with the lodging, meal, and incidental rates and time frames established in Section 12.1, and in accordance with existing requirements, time frames and administrative rules and regulations for reimbursement of relocation expenses that apply to excluded employees.

## **12.3 Parking Rates**

- A. For the term of this Contract, the parties agree that the State may increase parking rates in existing owned or leased lots, in urban congested areas, no more than \$20 per month above the current rate, charged to employees in specific locations where they park. Congested urban areas are areas such as Sacramento, San Francisco Bay, Fresno, Los Angeles, San Bernardino, Riverside, and San Diego areas. Every effort shall be made to provide employees sixty (60) days but no less than thirty (30) days notice of a parking rate increase. The State shall not increase rates for existing parking lots where employees do not currently pay parking fees. Rates at new lots administered or leased by the State will be set at a level comparable to rates charged for similar lots in the area of the new lot, e.g., rates for open lots shall be compared to rates for open lots, rates for covered parking shall be compared to rates for covered parking.
- B. The State shall continue a system for employees where parking fees may be paid with pretax dollars.

## **12.4 Commute Program**

- A. Employees working in areas served by mass transit, including rail, bus, or other commercial transportation licensed for public conveyance shall be eligible for a 75 percent (75%) discount on public transit passes sold by State agencies up to a maximum of \$65 per month. Employees who purchase public transit passes on their own shall be eligible for a 75 percent (75%) reimbursement up to a maximum of \$65 per month. This shall not be considered compensation for purposes of retirement. The State may establish and implement procedures and eligibility criteria for the administration of this benefit.

- B. Notwithstanding any other provision of this Contract, the Union agrees that the State may implement new policies or change existing ones in areas such as transit subsidies, vanpool/carpool incentives, walking/biking incentives, parking, parking fees, hours of work, and other actions to meet the goals of transportation incentives. The State agrees to notice and meet and confer regarding the impact of such new or changed policies.
- C. The State shall entertain recommendations from the Union and meet if requested on ways to encourage the use of alternative forms of transportation.

## **12.6 State Owned Housing**

- C. Notwithstanding any of the above, the Department of Fish and Game will meet and confer with Union representatives prior to the implementation of rental increases. The department will meet and confer over any amount of necessary increases, the implementation dates, and the necessity for the increase.
- D. The Department of Fish and Game is committed to improving the quality of State-owned housing under its jurisdiction. To that end, the department will seek funding authority for maintenance and improvement of department-owned housing.

This subsection is not subject to the provisions of Article 6 of this Contract.

- (b) Possessory interest reimbursement provided by the Department of Fish and Game shall not be reported to the State Controller's Office as income subject to taxation and other withholdings when an employee completes required forms and submits them to the Department Fish and Game by the date management specifies. The Department of Fish and Game shall not be responsible for erroneous reporting of reimbursements as income if the employee fails to utilize the required form and/or procedures developed by the department for this purpose.
- (c) Employees who had possessory interest reimbursements reported as income during calendar year 2000 shall upon request be reimbursed for the amount they lost because the working condition fringe benefit exception was not applied. Employee requests for reimbursement shall be made on a form provided by the Department of Fish and Game. Employee requests must be submitted to the Department of Fish and Game no later than June 30, 2002.
- (d) The decision about which employees qualify for the working condition fringe benefit exception shall not be subject to the grievance and arbitration provisions of this Contract.

- A. Overtime meal allowances will be granted when an employee is required to work at least two (2) consecutive hours prior to or two (2) consecutive hours after a regular work shift of at least eight (8) hours. An employee who works an alternate work schedule with a shift in excess of eight (8) hours shall only be eligible for an overtime meal allowance when required to work two (2) consecutive hours prior to or two (2) consecutive hours after such work shift. If the employee is required to work for more extended periods of time, he/she may be allowed an additional meal allowance for each additional six (6) hour period of assigned work. No more than three (3) overtime meal allowances will be claimed during any twenty-four (24) hour period. If the cafeteria is closed then reimbursements shall be made pursuant to D.2. below.

- D. The value of the meal ticket at the institution snack bar or employee dining room shall be established by management. The value will be sufficient to purchase a complete hot meal. If used to purchase a meal, the meal will constitute full and complete reimbursement.

The employee may use the meal ticket as provided in 1. and 2. below:

1. If the employee chooses to use the assigned meal ticket at the employees' snack bar or dining room, the employee must use it within a 90-day period of the time recorded on the meal ticket. If used to purchase a meal, the meal itself will constitute full and complete reimbursement. If the employee does not purchase a meal, he/she may follow the procedure as outlined in 2. below;
  2. Employees requesting reimbursement under this option will receive \$6, regardless of the value assigned to the meal ticket by local management;
  3. Employees in assignments which do not allow the State to provide a meal ticket shall be provided alternative methods, determined by the State, to receive the \$6 reimbursement for overtime meal allowances earned.

In accordance with established procedures, when requested by an employee, a department may pay the cost of replacing or repairing eyeglasses, hearing aids, dentures, watches, or articles of clothing necessarily worn or carried when damaged in the line of duty without fault of the employee. If the eyeglasses, hearing aids, dentures, watches, or clothes are damaged beyond repair, the department may pay the actual value of such eyeglasses, hearing aids, dentures, watches, or clothing. The value of such eyeglasses, hearing aids, dentures, watches, or clothing shall be determined as of the time of the damage hereto.

## **12.10 Uniform Replacement Allowance**

- A. Effective January 1, 2002, when the State requires a uniform to be worn as a condition of employment and does not provide such a uniform, the State shall authorize a uniform replacement allowance based on actual costs substantiated with a receipt for an amount not to exceed \$450 per year.
  - 1. Uniform means outer garments, which are required to be worn exclusively while carrying out the duties and responsibilities of the position and which are different from the design or fashion of the general population. This definition includes items that serve to identify the person, agency, function performed, rank, or time in service.
  - 2. In those cases where the State provides the uniform to be worn, the uniform items provided pursuant to the section are State-owned or leased property which will be maintained as the State deems necessary.   - 3. In those cases where the State does not provide the uniform to be worn, employees shall be responsible for the purchase of the required uniform as a condition of employment. After an employee has the equivalent of one (1) full year in a permanent position, which requires a uniform, he/she must submit a request in accordance with existing departmental practice in order to receive a uniform replacement allowance.
  - 4. Employees shall wear their required uniforms only in an official capacity except that employees may wear such uniforms on the grounds of their facility and to and from their work location including associated incidental travel.
  - 5. The Uniform Replacement Allowance shall not be considered compensation for retirement purposes.
- B. Single Source Vendor
  - 1. During the life of this Contract, departments may establish a single source vendor system to replace the current uniform replacement allowance program. If a single source vendor system is established, employees shall use the system to obtain department authorization uniform replacement items. Departments that participate in a single source vendor system may establish an anniversary date for the uniform replacement credit with the vendor. Employees will receive their credit on that date based on the number of qualifying pay periods in the uniformed classification and in accordance with existing State laws, rules, and regulations.
  - 2. Employees newly appointed (new hire to State service, promotion, transfer, or demotion from a non-uniformed classification) shall be required to purchase the uniform as a condition of employment and such purchase shall be through the single source vendor. Such employees will be eligible for a prorated uniform replacement credit on the established anniversary date, and a uniform replacement credit on each subsequent anniversary date.

## **ARTICLE 13 – CAREER DEVELOPMENT**

There will be only one official personnel file and normally one supervisory work file regarding each employee and these files will be maintained as follows:

- A. An employee's official departmental personnel file shall be maintained at a location identified by each department head or designee. Upon request, the State shall identify any supervisory files kept on the employee and shall identify the location of each file.
- B. Information in an employee's official departmental personnel file and supervisory work file shall be confidential and available for inspection only to the employee's department head or designee in conjunction with the proper administration of the department's affairs and the supervision of the employee; except, however, that information in an employee's official departmental personnel file and supervisory work file may be released pursuant to court order or subpoena. An affected employee will be notified of the existence of such a court order or subpoena.
- C. Evaluation material or material relating to an employee's conduct, attitude, or service shall not be included in his/her official personnel file without being signed and dated by the author of such material. Before the material is placed in the employee's file, the department head or designee, shall provide the affected employee an opportunity to review the material, and sign and date it. A copy of the evaluation material relating to an employee's conduct shall be given to the employee.

- D. An employee or his/her authorized representative may review his/her official personnel file during regular office hours. Where the official personnel file is in a location remote from the employee's work location, arrangements shall be made to accommodate the employee or his/her authorized representative at the employee's work location. Upon request, the employee shall be allowed a copy of the material in his/her personnel file.
- E. The employee shall have a right to insert in his/her file reasonable supplementary material and a written response to any items in the file. Such response shall remain attached to the material it supplements for as long as the material remains in the file.
- F. Any performance evaluation conducted of an employee who is a participant in the Union/State Collective Bargaining negotiations shall recognize the employee's frequent absence from his/her State job and the impact of such absences on the employee's performance. This is not intended to abrogate the right of the State to take disciplinary action against any employee who happens to be involved in such representational activities.
- G. Material relating to an employee's performance included in the employee's departmental personnel file shall be retained for a period of time specified by each department, except that at the request of the employee, materials of a negative nature may either be purged after one year or at the time such material is used in a written performance evaluation. This provision, however, does not apply to formal adverse actions except as defined in applicable Government Code Sections. By mutual agreement between a department head or designee and an employee, adverse action material may be removed. When an employee receives written documentation of a negative nature, the supervisor shall note in writing on the documentation the time frame it will remain in the file.
- H. Supervisors may keep working supervisory files on the performance and conduct of employees to provide documentation for matters such as, but not limited to, probation reports, performance appraisals, training needs, MSA reviews, bonus programs, adverse actions, employee development appraisals, or examination evaluations. An employee and/or his/her authorized representative may, upon request, review the contents of his/her file with his/her supervisor. Upon request, the employee shall be allowed a copy of the material in his/her supervisory file.

### **13.2 Personal Performance Session**

Meetings between employees and management concerning unsatisfactory work performance or work-related problems should, whenever practicable, be held in private or in a location sufficiently removed from the hearing range of other persons. The Union recognizes that the circumstances of the situation may require an immediate response from management, and thereby preclude privacy. However, if an immediate response is not necessary, arrangements will be made for a private meeting.

### **13.3 Joint Apprenticeship Committee**

- A. It is the policy of the State employer and Union to support the establishment of apprenticeship programs in Unit 1, 3, 4, 11, and 15 where such programs are deemed appropriate. The Union and the State agree that such apprenticeship programs shall be administered in accordance with the Shelley - Maloney Apprentice Labor Standards Act of 1939 (Labor Code Section 3070, et seq.) and pursuant to the following provisions:
  - 1. The classification of positions and the selection process shall be governed by the SPB. The State retains the right to hire.
  - 2. A Joint Apprenticeship Committee shall evaluate and discipline any employee participating in an apprenticeship program under the scope of civil service rules and regulations.
  - 3. Apprenticeship programs shall operate under the Joint Apprenticeship Committee concept, i.e., each committee shall contain an equal number of representatives selected by the Union and by the State in addition to an Apprenticeship Consultant of the Department of Industrial Relations, Division of Apprenticeship Standards.
  - 4. Each Joint Apprenticeship Committee shall determine the training program for the classes included for their program.
  - 5. Union representatives who have been selected as Joint Apprenticeship Committee members shall serve with no loss of compensation during Committee meetings.
- B. The State agrees to continue existing apprenticeship programs.
- C. The Union and the State agree to jointly explore areas of possible expansion of the existing and the creation of additional apprenticeship programs for Unit 1, 3, 4, 11, and 15 occupations. The Union and the State agree to meet and confer on this matter at the request of either party. Any new Joint Apprenticeship Committees shall function in accordance with this Section.
- D. To enhance the understanding of formal, on-the-job apprenticeship training the State and Union shall request an Apprenticeship Standards Consultant from the Department of Industrial Relations, Division of Apprenticeship Standards, to attend any exploratory meeting.

#### **13.3.4 Upward Mobility and Training**

- A. The State agrees to reimburse Unit 4 employees for expenses incurred as a result of satisfactorily completing training or education courses required by the department to assure adequate performance or increase job proficiency. Such reimbursement shall be limited to:
  - 1. Tuition and/or registration fees;
  - 2. Cost of course-required books;
  - 3. Transportation or mileage expenses;

4. Toll and parking fees;
  5. Lodging and subsistence expenses.
- B. Reimbursement for the above expenses shall be in accordance with the Business and Travel Expense provision of this Contract. When training occurs during normal working hours, the employee shall receive his/her regular salary. When required training occurs outside of normal working hours, Unit 4 employees shall be reimbursed in cash or CTO, in accordance with their workweek group, or the work hours shall be adjusted on an hour-by-hour basis for the hours of classroom instruction.
- C. If the State agrees with a Unit 4 employee's participation in non-required career-related training, the State may reimburse the employee for up to 50 percent (50%) of tuition, fees, and course-required books, not to exceed department limits after the employee has satisfactorily completed the course. Travel, per diem, and miscellaneous expenses are not reimbursable. Normally, attendance will be on the employee's own time.

Duties that are appropriately assigned to incumbents in the employee's current classification are not out of class. Duties appropriately assigned are based on the definition and typical tasks enumerated in the California State Personnel Board specification.

Training and Development assignments are not out-of-class work.

2. For purposes of this section, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the highest range of the class in which the employee holds an appointment.

The Union and the State (parties) agree that the legislation implementing this agreement shall contain language to enhance the current age benefit factors on which service retirement benefits are based for Miscellaneous and Industrial members of the First Tier plan under the Public Employees' Retirement System (CalPERS). The parties further agree that the provisions of this Article will be effective only upon the CalPERS board adopting a resolution that will employ, for the June 30, 1998 valuation and thereafter, 95 percent (95%) of the market value of CalPERS' assets as the actuarial value of the assets, and to amortize the June 30, 1998 excess assets over a twenty (20) year period, beginning July 1, 1999. The parties agree to jointly request the CalPERS board to extend the twenty (20) year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.
- B. The legislative language would provide the enhanced benefit factors to State employees who retire directly from State employment on and after January 1, 2000.

- B. Workweeks and work shifts of different numbers of hours may be established by the employer in order to meet varying needs of the State agencies.

  - 1. The change is due to an unforeseen operational need;
  - 2. The change is made at the request of the employee.
- E. Classifications are assigned to the workweek groups as shown in the Lists of Classifications attached to this Contract.
- F. Workweek group policy for FLSA - Exempt/Excluded Employees:

State employees who are exempt/excluded from the FLSA are not hourly workers. The compensation they receive from the State is based on the premise that they are expected to work as many hours as is necessary to provide the public services for which they were hired. Consistent with the professional status of these employees, they are accountable for their work product, and for meeting the objectives of the agency for which they work.

Following is the State's policy for all employees exempt/excluded from the FLSA:

1. Management determines, consistent with the current Contract the products, services, and standards which must be met by FLSA - exempt/excluded employees;
2. The salary paid to FLSA - exempt/excluded employees is full compensation for all hours worked in providing the product or service;
3. FLSA - exempt/excluded employees are not authorized to receive any form of overtime compensation, whether formal or informal;
4. FLSA - exempt/excluded employees are expected to work within reason as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. FLSA exempt/excluded employees may be required to work specific hours to provide services when deemed necessary by management;
5. FLSA - exempt/excluded employees shall not be charged paid leave or docked for absences in less than whole-day increments. Less than full-time employees shall be charged time proportionate to their scheduled hours of work. Record keeping for accounting, reimbursements, or documentation relative to other applicable statutes, such as the Family Medical Leave Act, is permitted.

For Unit 3 employees: partial day absences for medical appointments should be scheduled during non-student contact time unless otherwise authorized by management;

6. FLSA - exempt/excluded employees shall not be suspended for less than five (5) days when facing discipline;
7. With the approval of the appointing power, FLSA - exempt/excluded employees may be allowed absences with pay for one or more whole days due to excessive work load or other special circumstances without charging leave credits;
8. Subject to prior notification and management concurrence, FLSA exempt/excluded employees may alter their work hours. Employees are responsible for keeping management apprised of their schedule and whereabouts. Prior approval from management for the use of formal leave (e.g., vacation, sick leave, personal leave, personal day) for absences of an entire day or more is required.

## **19.2 Overtime**

However, in the event that the Department of Industrial Relations determines that this provision is inconsistent with Labor Code 204.3, the parties agree to immediately meet and confer regarding the impact of that determination.
  - C. Overtime must be authorized in advance, except in an emergency, by the State or its designated representative. This authorization must also be confirmed in writing not later than ten (10) days after the end of the pay period during which the overtime was worked. Each State agency shall maintain complete and accurate records of all compensable overtime worked by its employees.

  - E. CTO may be taken only in units of time of fifteen (15) minutes or multiples thereof.
  - F. CTO for employees shall be earned on a time and one-half (1½) basis and may be authorized in lieu of cash compensation. If an employee is not allowed CTO within twelve (12) pay periods following the pay period in which the overtime was worked, payment shall be made for such overtime on the next payroll.
  - G. Employees may accrue up to 240 hours of CTO. All hours in excess of 240 CTO hours shall be compensated in cash.
  - H. Normally, an employee who has an accumulation of 240 hours or thirty (30) days of authorized overtime shall not be required to work additional overtime.
  - I.     1. Effective January 31, 2002, all time spent on required travel to an alternate worksite shall be compensated consistent with the requirements of the Fair Labor Standards Act (FLSA). However, the State will also consider the business needs of the department including the costs of travel arrangements.

2. Notwithstanding the above, FLSA covered employees traveling on state business, outside of their normal work hours (as defined in FLSA) will be granted a special allowance for actual time spent traveling. Employees shall receive this special allowance equivalent to the employee's regular hourly rate on a straight time, hour for hour basis, in cash or CTO, at the discretion of the department head or designee. This is not overtime compensation and shall not be considered as time worked for calculation of overtime. This paragraph also applies to passengers in carpools, vans or other vehicles, traveling on state business. This paragraph does not apply to employees who voluntarily choose to travel outside their normal work hours.
3. FLSA covered drivers of a carpool, a vanpool, or other vehicle traveling on state business will be compensated consistent with FLSA for purposes of overtime and shall not receive the special allowance described in I(2) above.

- D. Sections A., B., and C. of this Article shall not apply to Unit 3 employees with student, ward, inmate, client, or patient instructional and supervision responsibilities; however, management recognizes that these Unit 3 employees have limited opportunity to take care of their personal hygiene needs during instructional and supervision time. It is the intent of management, working with the Union to find mutually satisfactory solutions to this problem, consistent with programmatic, operational, safety, and security needs, within 90 days of the State and the Union's ratification of this Contract.
- E. Normally, Unit 3 employees with instructional and supervision assignments are expected to use other than scheduled instruction and supervision time for personal hygiene needs; however, the State shall endeavor to provide for supervision of assigned students, wards, inmates, clients, or patients for short periods of time in the event of an employee's personal hygiene need.

- F. Upon the request of the Union, the health and safety committee at a facility shall review and recommend changes to the procedure consistent with safety, security, programmatic, and operational needs for providing Unit 3 employees the opportunity to take care of their personal hygiene needs. If a health and safety committee does not exist at a facility, upon the request of the Union, management shall meet with the Union to review and recommend changes to the procedure consistent with safety, security, programmatic, and operational needs for providing Unit 3 employees the opportunity to take care of their personal hygiene needs. Any agreement between the parties shall be reduced to writing.

- D. The notice to the Union required in (B) shall be provided within ninety (90) days of ratification of the new contract by both parties.

- A. Permanent employees employed by departments with multiple shift operations may be permitted to exchange hours of work with other employees in the same classification or level (determined by the supervisor), performing the same type of duties in the same work areas, provided:

## Side Letter #10 - California State Lottery (CSL) Scratcher Sales Bonus

CSL reserves the right to manage the variety and quantity of Scratcher products offered for sale in order to stay within its budgetary and legal mandates.

The classifications of Lottery Ticket Sales Specialist (LTSS) and Lottery Ticket Sales Senior Specialist (LTSSS) shall be eligible to receive sales bonuses as governed by the following provisions:

- A. The sales bonus shall be based solely on sales of Scratcher products. Scratcher product sales are defined as only those packs that have been financially settled by retailers. Prior to the beginning of each new quarter of the fiscal year, the CSL Director or designee shall set a statewide sales goal for Scratcher products. The statewide sales goal is then broken down into "market shares" for each individual "retailer assignment." Individual achievement for bonus eligibility is measured against the "marked share" established for the individual retailer assignment.
- B. CSL Sales Department shall issue a quarterly report showing the percentage of statewide sales (commonly referred to as "market share") for Scratcher products for each retailer assignment. The market share of each sales area is defined as the percentage contribution of the employee's retailer assignment to actual statewide sales during the quarter ending one quarter prior to the "goal quarter," also identified as the "quarter before last."

Example: The goal of Quarter 1 of FY 99-00 is based upon market share from Quarter 3 of 98/99.

- C. Upon completion of each quarter and a qualifying period as defined in subsection G., if the retailer assignment achieves at least the first level sales goal in Scratcher products, the eligible employee receives the appropriate bonus award for that level. Subsequent awards are based upon achieving greater sales levels for the Scratcher-only products.

Example: If a retailer assignment achieves Level 1 goal in Scratcher sales, the participant receives Level 1 bonus.

- D. Bonus levels and corresponding dollar awards attributable to each level are listed below:

BONUS LEVEL	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
% OF SALES GOAL ACHIEVEMENT	102%	105%	108%	112%
Lottery Ticket Sales Specialist	\$300	\$600	\$900	\$1,200
Lottery Ticket Sr. Sales Spec.	\$300	\$600	\$900	\$1,200

E. Each eligible employee described below shall be required to work a qualifying period as defined in subsection F. to be eligible for bonus.

1. A full-time employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.
2. An intermittent employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.
3. An intermittent employee who works a qualifying period and who works more than one retailer assignment in either the North or the South region during the quarter shall be eligible for the appropriate level bonus achieved by that region.
4. An intermittent employee who works a qualifying period and who works more than one retailer assignment in both the North and South regions during the quarter shall be eligible for the appropriate level bonus achieved by the State.
5. A part-time employee who works a qualifying period shall be eligible for a percentage of the bonus dollar amount consistent with the employee's time base. The qualifying period as defined in subsection F. shall be prorated to the time base.

Example: A  $\frac{3}{4}$  time employee who work's a qualifying period and who achieves Level 1 sales shall be eligible to receive  $\frac{3}{4}$  of the dollar amount for that level. The qualifying period for eligibility is proportionately reduced by 25 percent (25%).

F. For purposes of this bonus provision, the following definitions shall apply:

1. "Qualifying period" is defined as actually working a regular retailer assignment no less than 65 percent (65%) of actual available work hours in a quarter, excluding holidays and weekends.

Formula: Thirteen weeks (91) days less weekends (26 days) multiplied by eight hours a day less holiday hours multiplied by 65 percent (65%) equals a qualifying period.

Example: A qualifying period in a thirteen (13) week quarter with no holidays would require the participant to work a regular retailer assignment 338 hours. A qualifying period in a quarter that has one holiday would require the participant to work a regular retailer assignment of 333 hours.

2. "Retailer assignment" is defined as a preassigned group of retailers for which the employee has Scratcher inventory management responsibilities either through the use of a Scratcher inventory management system or through regular retailer telephone activity. Retailer assignment does not include activity with retailers which are redirected to an employee because of coworker absences.

G. Bonus payments shall be made quarterly within sixty (60) days after the end of the quarter.

- H. Bonuses paid pursuant to this section are excluded from compensation for retirement purposes.
- I. Bonuses paid pursuant to this section are considered compensation for taxation purposes.
- J. This section is grievable to Step 3 of the grievance procedure (Director, CSL).

### **Side Letter #36 - State Special Schools Ten-Month Compensation Agreement**

- A. The Special Schools in the Department of Education shall use the following work schedule policy for permanent, full-time Bargaining Unit 4 employees that are scheduled to work a 10-month school year.
1. The Special Schools shall guarantee the opportunity for ten (10) months of compensation (as defined by State Personnel Board Rule 9) to permanent, full-time Special Schools' employees except when budgetary or program considerations preclude it. Budgetary or program considerations are those which are mandated by the Legislature, Governor, or Superintendent of Public Instruction. This means that these employees may be scheduled either for work, CTO, holiday credits, paid or unpaid leave; so, that when all of these are considered in total for the year each employee at the California School for the Deaf and California School for the Blind receives a minimum annual compensation equivalent to approximately 1,734 hours of the employee's regular (straight-time) rate of pay. Employees at the Diagnostic Schools for Neurologically Handicapped Children will receive a minimum annual compensation to approximately 1,934 hours of the employees' regular (straight time) rate of pay based upon their 25-day extended work year. The Special Schools may provide an annual compensation greater than 1,734 hours, (1,934 hours for Diagnostic School for Neurologically Handicapped Children employees) subject to budgetary and program considerations. If an employee chooses not to work, the School's obligation to provide a minimum opportunity for ten (10) months compensation shall be reduced accordingly.

During recess periods, the Special Schools may utilize any combination of work, training, vacation, CTO or dock. Priority consideration will be given first to regular work assignments, second to training, and third to work not associated with their normal duties. It is understood by both parties that regular work, work not associated with their normal duties, and training may not be available. Employees may request training that enhances the Special School program.

2. Employees covered by this Agreement:
  - a. May be scheduled and use vacation leave during their initial six (6) months of employment. This is an exception to the Bargaining Unit 4 contract vacation leave provision.

- b. Shall receive 70 hours of vacation leave credit which will be credited to their vacation leave credit account upon commencement of the school year. This vacation leave credit shall be used to offset noncompensable absences during school recess periods.
  - c. Sections 2(a) and (b) shall apply to permanent, part-time employees on a pro-rata basis.
  - d. The 70 hours of vacation leave credit (and pro-rated amount for permanent, part-time employees) is contingent upon an employee's continued employment for a minimum ten (10) qualifying pay periods beginning with the employee's first qualifying pay period of the school year. If an employee terminates employment prior to this ten (10) qualifying pay period duration and the Special School is unable to adjust the employee's vacation and/or CTO credit balances in order to reflect the proper vacation leave credit balance, the employee shall reimburse the Special School for the amount that is outstanding.
- 3. Work scheduled during school recesses may include training and other work assignments which may involve duties not normally associated with their normal and regular duties. These assignments which involve duties not normally associated with their regular duties shall only occur during recesses.
  - 4. The Special Schools have total discretion to determine the school year including recesses as long as the provisions of this Contract are met.
  - 5. During school recess periods, the Special Schools may schedule work, training, paid leave (e.g., CTO or vacation) or place employees on dock. During recesses it is the intent of the Department that all employees covered by this Contract shall be scheduled the same number of vacation days based on the minimum accrual rate for ten (10) month employees plus or minus two (2) days.
  - 6. Employees who have taken a leave of absence without pay, who have been charged with an AWOL, or who have been "docked" will not be extended compensation opportunities to the extent that they would benefit over other employees from such docks.
  - 7. The Special Schools shall provide eligibility for medical and dental benefits during the months of July and August by scheduling a minimum two (2) days work, training, vacation, or CTO in July and a minimum two (2) days of work, training, vacation, or CTO in August.

## **Time off for Victims of Domestic Violence**

**State of California**

### **M E M O R A N D U M**

**DATE:** June 20, 2001

**TO:** PERSONNEL MANAGEMENT LIAISONS

**REFERENCE CODE:** 2001-025

#### **THIS MEMORANDUM SHOULD BE DISTRIBUTED TO:**

Employee Relations Officers  
Personnel Officers

**FROM:** Department of Personnel Administration  
Policy Development Office

**SUBJECT:** Time Off for Victims of Domestic Violence

**CONTACT:** Charlotte Gehringer, Personnel Management Analyst

FAX: (916) 324-9393  
Email: CharlotteGehringer@dpa.ca.gov

The purpose of this memo is to notify departments of an addition to existing law regarding time off for an employee who is a victim of domestic violence.

Effective January 1, 2001, Assembly Bill 2357 added Section 230.1 to the Labor Code to specify that employers with 25 or more employees may not discharge or in any manner discriminate or retaliate against an employee who is a victim of domestic violence, as defined in Section 6211 of the Family Code, for taking time off to seek medical attention for injuries caused by domestic violence, obtain psychological counseling related to an experience of domestic violence, obtain services from a domestic violence shelter, program, or rape crisis center, or to participate in safety planning to increase safety from future domestic violence.

As a condition for taking time off, the employee shall give the employer reasonable advance notice of the employee's intention to take time off for any of the purposes summarized above, unless advance notice is not feasible. When an unscheduled absence occurs, the employer may require the employee to certify that the absence is a result of domestic violence in the form of a police report, a court order, or medical documentation. An employer would be required to maintain the confidentiality of any employee's request for time off pursuant to provision of this law.

The law does not require an employer to compensate an employee for the time taken off under these circumstances, but the employee may use vacation, personal leave, or other compensating time off that is otherwise available to the employee.

An employee whose rights are violated under this section may be entitled to lost wages and reinstatement. An employer who willfully refuses to reinstate an employee under this section may be guilty of a misdemeanor. This law also allows an employee to file a complaint with the Division of Labor Standards Enforcement of the Department of Industrial Relations.

This section does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993.

The provisions of this bill apply to the State as an employer and to State employees. The entitlement of any employee under this law shall not be diminished by a collective bargaining agreement.

If you have any questions, please contact Charlotte Gehringer at (916) 323-6938.

Policy Development Office
